Budapest to Amsterdam Embarking on Viking Ve June 30, 2026

Enrich Your Journey

We believe the best journeys enrich and enlighten you, so we have developed a selection of optional excursions that show you local culture—from architectural treasures to artistic masterpieces, natural wonders to historic marvels, and long-cherished traditions to culinary delights.

What Sets Viking Excursions Apart

Our excursions are carefully designed by experienced, licensed and insured tour planners to provide the perfect overview of must-see cultural and historic highlights, with some delightful surprises. Professional, English-speaking guides give you an insider's view of their country and culture, bringing you closer to the art, architecture, history and people that define your destination. In many ports, we have timed our shore excursions for maximum immersion, letting you join up to three in one day if the schedule permits.

Reserve Online at *MyVikingJourney.com*

Your invoice will tell you when your shore excursions are open for booking. Once they are available, log in to your account at *MyVikingJourney.com* and reserve them online for priority processing; there is no phone call to make. Though you can book your shore excursions up until 7 days before your sail date, we recommend reserving as soon as possible. You can do so with peace of mind as our website securely accepts credit card payments. After we process your payment, we will send your confirmation by email. If you prefer, you may call your Travel Agent to reserve your shore excursions.

About Your Excursions

Your cruise features one included excursion in each port of call; some are walking tours and others are via motor coach or a combination of walking and coach. Our excursion motor coaches are often just a few years old, are usually air conditioned and typically include restrooms. Drives rarely take more than two hours; nearly all have frequent sightseeing stops.

Please note, shore excursions are generally not offered on embarkation or disembarkation days. Optional shore excursions may be available on an overnight embark evening or with a pre-or post- cruise hotel extension program; please visit myvikingjourney.com to see what is available for your voyage. Shore excursions availability varies by departure date.

Sundays & Holidays

In many countries, shops, public buildings and banks are closed Sundays and public holidays; also, businesses in smaller towns may close for several hours midday. In these cases, a particular excursion or portion of visit may not be available, and your itinerary will vary. If you are exploring on your own on these days, your Program Director or Guest Services can suggest alternatives.

Optional Excursions

To further enhance your experience, we sometimes offer optional excursions should you want to visit an additional site or maximize your time in port. Details on these follow. Note that the order of visits may vary.

Duration: 7.00 Hours

Date: June 29, 2026 09:00 AM Available

Tour a Former Ghetto and Concentration Camp -- Visit a historic fortified city built by Habsburgs and commandeered by Nazis. Terezín was conceived as a fortress town in the late 18th century, when the Habsburg Emperor ordered the construction of Theresienstadt—named after his mother, Empress Maria Theresa. Terezín was later established as a town in the newly formed Czechoslovakia. Nazi Germany took it over in 1938 and transformed it into a ghetto and, later, a notorious concentration camp. During this moving visit, you will see the former prisoner cells, residences of the Gestapo and some of the underground corridors. After visiting the ghetto and museum, drive to Litomerice, one of the Czech Republic's oldest and most beautiful cities. Enjoy lunch at a local restaurant and sample traditional Czech fare, before your return journey to Prague.

CZPRGPSO03 Kutná Hora

Duration: 7.00 Hours

Date: June 29, 2026 09:00 AM Available

A Bohemian Enclave with a Rich Past -- Discover the impressive architecture and historic treasures of one of the Czech Republic's most important towns. Built on silver mining from the 13th century, Kutná Hora became a thriving crossroads of trade. Drive with your guide into the scenic Czech countryside, passing farmland and gently rolling hills. En route, you will briefly pause at the Sedlec Ossuary, a UNESCO World Heritage Site. This curious Roman Catholic chapel is artistically adorned with human skeletal bones. After, continue to Kutná Hora and the vast St. Barbara Cathedral, also a UNESCO Site, one of Central Europe's most impressive Gothic structures. Dedicated to the patron saint of miners, it took more than 500 years to build because of the town's waxing and waning economy. After viewing the interior, enjoy a walking tour of the town, followed by lunch at a local restaurant and free time to explore.

Duration: 3.00 Hours

Date: June 29, 2026 09:00 AM Available

Landmarks of Judaism in a Medieval City -- Immerse yourself in the Josefov, or Jewish Quarter, of Prague during an enlightening walking tour. With your knowledgeable guide, you will visit the Maisel Synagogue museum, built during the 16th-century Golden Age of the Jewish Ghetto, and the Pinkas Synagogue, one of the oldest surviving synagogues in the city and a memorial to Holocaust victims. Peruse the historic Old Jewish Cemetery, the largest of its kind on the continent, before continuing to the elegant, baroque Klaus Synagogue and the neo-Renaissance Ceremonial Hall.
